RE: Application of FRC, LLC, for a Certificate of Public Convenience and Necessity
to Provide Intrastate Telecommunications Services as a Carrier's Carrier
Docket No. 2006-42-C

Dear David:

I am writing to request a continuance of the hearing in the above-referenced matter, which is scheduled for Monday, April 10, 2006. We are asking for this continuance due to unexpected unavailability of our only witness. We have spoken with Shannon Hudson, Office of Regulatory Staff, and she does not object to our request. No other parties have intervened or filed a protest in this matter. We will get with Shannon and come up with some proposed dates that we would like the Commission to consider and will get those to Jocelyn, understanding of course that the date would have to be one convenient to the Commission

We appreciate your consideration of our request. If you have any questions or need further information, please do not hesitate to contact me.

Sincerely yours,

M. John Bowen, Jr.
